Mark or Marianne – can you sit in on this call, just for awareness?

Tomorrow I am free all day- but 10am CST is 8am PST and I usually don't get into the office until 9. I can take the call from my house though, if that is the best time for R5.

Thanks,

We did not hear back from them, but I spoke with one of SVEC's attorneys, and we knew this testing was done in January. SVEC's attorneys were supposed to get the results to me in May.

Hi All-

I just received this communication from the law firm representing the parents and teachers in the Sky Valley matter. It made me realize I don't think we ever concluded our investigations on the waste that was left in place at the school and the questions we had for the facility manager. Did any of you ever hear back from Mr. Mannix or Mr. Piplic?

Thanks,
